CAPE COD MAYFLOWER DECORATIVE ARTISTS GUILD, INC.

A brief history of our Guild

Cape Cod Mayflower Decorative Artists was started by a group of woman who were interested in painting, supporting each other , learning new skills, sharing information and having a meeting place to reach their goals. The name Cape Cod Mayflower Decorative Artist was derived by the initial group of artists. How they decided on the name was simple. Cape Cod because it is known world wide, Mayflower because of its history and significance to the area, and Artists which includes all styles of painting. The Chapter applied for organization through the Society of Decorative Painters in 1993. In 1995 the Chapter became the subordinate of the Society of Decorative Painters. All of the Cape Cod Mayflower Decorative Artists were members of the Society of Decorative Painters. In 2022 the Society of Decorative Painters dissolved. The Cape Cod Mayflower Decorative Artists re-organized in January 2023 and became known as Cape Cod Mayflower Decorative Artist Guild, Inc. We are also members of New England Decorative Artists NEDA one of the sponsoring Guilds for New England Traditions NET Convention.
